

presentation systems

System Source is a full service audio-visual systems company. Our team provides a wide range of services including consulting, system design, installation and maintenance.

Menu of Services

Evaluation of Needs - We visit your site, listen to your needs and recommend the best audio-visual system for your requirements. Needs may include:

- Unified Communications
- Conference room design
- Collaboration software
- Digital signage
- Streaming and recording
- Classroom design
- Meeting/Board rooms
- Huddle rooms
- Room control
- Simultaneous interpretation

Video Conferencing - Equipment and conferencing software can be integrated into audio-visual rooms or set up for mobile use.

Audio Conferencing - Microphone and speaker placement designed for even sound dispersion and speech reinforcement. All systems can be integrated with your VoIP phone system.

Collaboration Technology - Interactive projectors, whiteboards and LED touch screens can be integrated with Unified Communications codecs such as Teams, Zoom, Webex, Go-to-Meeting and others.

System Integration and Installation - Audio visual solutions are assembled and tested in our shop and then integrated on site by our industry certified team of technicians and engineers.

Streaming and Recording - Capture live events and meetings for transmission, editing and archiving.

System Source Benefits

High Customer Satisfaction - We always receive accolades for our service. Each customer is surveyed to ensure the highest service level.

Experience - System Source has partnered with Baltimore area organizations providing AV solutions since 1999.

Full Service - We provide system integration services from design, installation, programming to commissioning. A dedicated project manager coordinates our team with your internal stakeholders and other trades.

Training - The full value of your new system is realized with intuitive designs and in-depth training.

Certified Team - AVIXA CTS, CTS-D, CTS-I; Crestron, Extron, BiAmp, Chief, Dante Certifications.
